

Universidad La Salle

Mexico City

For over 56 years, Universidad La Salle has created a reputation as a visionary, humanistic and socially responsible institution of higher education.

La Salle is a member of *La Salle Universities*, one of the largest international organizations dedicated to accessible, quality education, research and social transformation. There are more than 62 Lasallian colleges and universities on five continents, 15 of which form *La Salle University Network* in Mexico.

Our educational philosophy is based upon the charisma of St. John Baptist De La Salle, a reference in education for 350 years. There are over 1600 Lasallian educational centers in 82 countries.

ACADEMIC EXCHANGE

Students from our partner institutions around the world can participate in the Academic Exchange Program. They may participate during an academic term spring or fall, or an academic year.

Besides enrolling in our wide-variety of courses, students may participate in sports and cultural activities, volunteering and service learning programs to enrich their experience in Mexico. Assistance is provided to students throughout the admission process and during their stay. An upper intermediate command of Spanish is required (B2 level).

INTER_ACADEMICO@LASALLE.MX

SPANISH FOR FOREIGNERS

We offer year-round, 3 week and 5 week modules and private lessons at beginning, intermediate and advanced levels. Courses are available during the mornings and evenings. Admission is open to everyone. An oral and written placement exam is given to all new students to indicate their level of proficiency.

SPECIAL PROGRAMS

Customized programs for academic and/or professional needs are available to international groups. Our short-term programs offer a mix of academic classes and field visits targeted to specific learning outcomes. Past programs have focused on topics such as public health, business and migration. Full academic credit is awarded and can be transferred anywhere in the world.

The Summer Language and Culture Program offers intensive Spanish language classes, conferences, excursions and accommodation with Mexican families. Optional service learning placement is also available.

La Salle has well-established community outreach programs, students can serve as volunteers or interns with NGOs and community organizations, in rural and urban projects. Non-remunerated professional internships are also available upon request.
